

Hello

**BRILLIANT LABS is HIRING
SUMMER STEAM MENTORS!
LEARN & WORK WITH US!**

BRILLIANT LABS IS

a not-for-profit, hands-on technology and experiential learning platform based in Atlantic Canada. Over the past 7 years we have supported over 500,000 student engagements, 45,000 teacher professional learning & connections, and provided free after school and summer camp programming for youth to learn new coding and digital skills.

AS A BRILLIANT LABS SUMMER STEAM CAMP MENTORS, YOU WILL

Engage young people online, and offline, inspiring, mentoring, leading and teaching them about innovation, technology and a socially responsible entrepreneurial mindset in our free summer camps.

YOU'LL NEED

- An interest and experience with technology
- Experience working with children and youth
- Excellent communication skills and organizational skills
- Bilingualism (French-English, or other) is an asset
- Be between the ages of 15-30
- Access to a reliable computer & internet service.

YOU CAN

- Have fun & help children learn new coding and digital skills
- Learn to use a variety of technologies and tools
- Work remotely part of a virtual team
- Help mentor and inspire youth
